

## The Church of Christ in Roscoe-Texas "The Lone Star State"

It is always a blessing for us to write to you sharing with you the successes of the work that you are supporting on this part of the world. Yes it is a great cause, the Great Commission, Matthew 28:18-20. The Southern Africa Bible College is a small Bible school, but big in its mission and the fruits that it bears for the Lord by training and equipping men and women who are then sent to the different parts of the Southern African region. At the Bible College we have students coming from the following countries: Democratic Republic of Congo which is predominantly French speaking country, Swaziland, Lesotho, Zimbabwe, Malawi, Zambia, Tanzania, and Mozambique. You can see just from looking at these different countries, how much your support is assisting in spreading the gospel to all these different tribes and languages.

Thousands of people each year have the opportunity to hear about the Good News and the Salvation, while several hundreds are added to the Lord's Church in all these countries through the preaching which is done by the students that you have made it possible to be trained and equipped in the matters concerning the Kingdom of our Lord Jesus the Messiah.

The Motto of the Bible College is taken from II timothy 2:2 which says "And the things you have heard me say in the presence of many witnesses entrust them to reliable men who will also be qualified to teach others."

The 2009 SABC Lectureship is approaching and the preparations are at their final stages. Please continue to pray for the success of the Bible College and for what it stands for. The dates for this great event are September 27th -October 1st 2009 on campus in Benoni South Africa.

May the Lord who is surrounded by his splendor and majesty be with you from now and forever more.

Because of the Cross,  
Edward Nkosi and the Family.
